#### **New Project** Investors Meet At Salton Sea

The overall development of Salton City, the first major development of the Salton Sea, is progressing satisfactorily, according to M. Penn Phillips, leader of the group which acquired the 19,600 acres for the resort community on the western shore of the sea.

Phillips, developer of Hesperia, met with the principal investors last weekend to tour the project and discuss the engineering work accomplished to date, and to lay plans for the immediate future development.

addition to Phillips, group included Sylvan Coleman, senior partner of E. F. Hutton & Co., New York; Murray Lavin and Charles Wohlsetetter, Allen and Co., New York: Lawrence Booth, Led by Ed Welcome and Mrs. Hollywood; and Dr. Gause Covington, Azusa.

accidents in California, the greatest number are between the ages of 25 and 34 according to records kept by the California Highway Patrol

"Each year about one-fourth of accidents in this state are between 25 and 34 years of age," declared Patrol Commissioner B. R. Cald-well. "The 15 to 24 year age group run a close second with just under 24 per cent of the total drivers in-

APPROXIMATELY THE same ration holds true in analyzing the drivers in fatal accidents." Caldwell stated. "The 25 to 34 year age group made up 26 per cent of the total drivers involved in fatal accidents while the 15 to 24 year age group made up 24 per cent of the total involved.

"A composite of the records indicates that a man between the ages of 25 and 34 driving too fas for conditions or violating a right of-way is most apt to become in olved in a fatal or injury accident between 4 and 5 p.m. on a city Lost and Found street," he continued.
